

Planning, services for financial and investment planning, banking, insurance and business financial management.

Pathway: Banking and Finance

Accounting I

Credit: 1

SDE Course Code: 3779

MNPS Course Code: BUS7115

Accounting I introduces concepts and principles based on a double-entry system of maintaining the electronic and manual financial records for a sole proprietorship, partnership and corporation. It includes analyzing business transactions, journalizing, posting, and preparing worksheets and financial statements.

Financial Planning

Credit: 1

SDE Course Code: 3717

MNPS Course Code: BUS7514

Financial Planning is a course designed to develop skills in the use of financial principles in making business decisions. Students will research job qualifications and employment opportunities in finance. The course includes a study of the allocation of financial resources, the effects of finance and credit institutions on the business community and the impact of financial decisions on the consumer market. Ethical issues will be presented in this course.

Banking and Finance

Credit: 1 - 2

SDE Course Code: 3756

MNPS Course Code: BUS3756

Banking and Finance is a course designed to challenge the student with real banking and financial situations through a partnership with a local financial institution that would bring resources of mentors, seminars, and hands on experience with day-to-day operations. Completion of this course will provide students with a basis for secondary education in finance and special job skills in banking and financial institutions. Ethical issues will be presented in the course
