Whites Creek High School celebrates National Public Health Week

WHAT: Whites Creek High celebrates National Public Health Week

WHEN: Wednesday, April 8, and Thursday, April 9

WHERE: Whites Creek High School, 7277 Old Hickory Blvd, Whites Creek, TN, 37189

WHO: Whites Creek High has partnered with The American Public Health Association to celebrate National Public Health Week. The Health Science Academy students have provided several activities and events for students, faculty and staff to participate. Wednesday, April 8, the students will distribute their first Cobra Health 411 newsletter. The newsletter provides information about first aid, common diseases in the community, career and local health care provider spotlights. Thursday, April 9, the Health Science Academy students will hold their first annual First Aid mock event. Students will have the opportunity to showcase their first aid skills by providing aid to patients and distressed victims.

Metro Nashville Public Schools provide a range of educational opportunities to more than 75,000 students in Nashville and Davidson County. The governing body for MNPS is the Metropolitan Nashville and Davidson County Board of Public Education, a nine-member group elected by residents of Metropolitan Nashville. For more information, please visit www.mnps.org.
